Annual Report

Dear Supporter,

I have the pleasure of presenting to you the TWENTY-SEVENTH Annual Report and Cash Statement for the year ending 31st March, 1948.

The past twelve months have been most successful in many ways, socially and financially. A study of the Cash Statement gives some idea of the range of our activities and the healthy state of our finances.

Our membership now totals 1,025, a Club record.

The transport facilities which we have again provided during the football season for "away" matches have been very popular, and many very enjoyable trips have been made by a good number of our members.

Our thanks and good wishes are extended to all our members, friends, and all those who have in any way assisted us in our work and in our efforts to be of service to "Fartown."

On behalf of your Committee,

Yours sincerely,

WILFRED STOKER,

Hon. Secretary.
