

About the Authors

This scheme of work is part of the **Huddersfield Rugby League: A Lasting Legacy** heritage project. This project is grateful to the **Heritage Lottery Fund** and to **Larchwood Homes** for their generous financial support.

The content has been written and designed by **Sports Inspire Educational Publishing**, a company which has written similar schemes for several professional football and rugby league clubs, the 2013 Rugby League World Cup and the National Football Museum. These schemes have consistently proved effective in motivating under-achieving children.

In addition to the main scheme, **Sports Inspire Educational Publishing** has collaborated with former Executive Head Teacher, **Dave Jones**, in adapting PowerPoint presentations of sports-based assemblies, by adding Huddersfield Giants-related content.
