### OFFICIAL NOTES

Last week-end's visit to York gave our men their first away win of the season, in the victory gained by 20 points to 9. Let us hope this success is a good omen for our next away match, a week to-day, when we meet Leeds at Headingley in the all-important 1st leg of the 1st round of the Rugby League Cup. To-day we welcome Barrow to Fartown. Even though the Furness club will be minus the services of five of their regulars—the penalty of greatness (the England v. Wales match at Wigan claims them)—Barrow have some good reserves for the vacancies and we shall have to go all out if we are to win. Barrow are having a good season and are in the running for the top four, so they may be depended upon to strive hard for success to-day. While we are not expecting having Stanley Pepperell in our side to-day (he went across the Channel recently) we still hope to field a good side, including Cooke, the fair-haired winger who did so well in his recent initial appearance in our colours. If Bradbury is absent it will be because of an arm injury sustained at York last week-end. By the way, our Broughton Rangers forward guest player, Brown, who broke a leg at Fartown in his last appearance is now making good progress. We shall be glad to welcome him back to Fartown in the near future.

Our last home game, against Hull, cannot have given much satisfaction to anyone present at Fartown that afternoon. We had some slight consolation, however, in the fact that the penalty goal kicked by Fiddes gave us another percentage increase in the R.L. Table.

Readers will be glad to know that we have heard from Trainer Fred Ashworth recently and also from "Bill" Oughton (a regular correspondent). Both are in the best of health and greatly appreciate the regular budget of Fartown news which we sent along. Does any one of our readers know the whereabouts of "Duggy" Booth? We haven't heard from him for some time and would like to drop him a line. The last

**Official Notes (continued).**

letter we received from A. J. Pimblett gave the welcome news that he had completely recovered from his injury and was likely to be in action again shortly. Won't it be a grand day when we have our lads back home again, and won't they be happy when, probably before the commencement of next season, they will be training once again in readiness for post-war football.

Our Senior Competition Team put up a good show against Bramley at Fartown last Saturday. Unfortunately we could only field 11 men. There were several last minute "backwards" from selected players—too late for other players to be called in. Mainly through this numerical disadvantage we were beaten by 20 points to 14.

As York reserves have been withdrawn from the S.Competition, our to-day's match with them on the Clarence Road ground has been cancelled.

If, as we are expecting, Alec Fiddes turns out to-day, he will join that select band of Fartowners who have made 400 appearances with our first team. We can congratulate our Captain on a fine record of consistent service to the "Claret and Gold." Well played, Alec! We are looking forward to your 500th game for us!

**Winning Numbers**—Look out for the half-time blackboard announcement. If you have a programme registering a winning number please hand in to the Pavilion where a 2/6 prize awaits you.
