OFFICIAL NOTES

A warm welcome to our Hunslet friends for this afternoon's game, and we hope to see two enjoyable matches in this first round Yorkshire Cup-tie, with victory ultimately going to the more deserving side. Points in hand will be very useful to have for the second leg, which will be played at Parkside next Tuesday, and it is up to our boys to see that we are the team to be in that fortunate position.

Hunslet are hoping to have a strong side on view, and this first-round task is no easy one. Their goal-kicker, Arthur Talbot, is out of action, but Jack Evans has proved a capable deputy in this important department. We shall be without Jack Large, who has fluid on the knee, and Brown returns to the second row.

Welcome to the "Kangaroos"

The Australian tourists will be watching the game at Fartown today. We extend a very warm welcome to them and hope that their Tour will be a successful one in every sense. The first game is at Keighley on September 6th. Needless to say, we are keenly looking forward to our own club game with the "Kangaroos" on November 1st, and also the Yorkshire v. Australia game on November 26th. Best of luck, Australians.

Recent Events

Following the very disappointing display given in the friendly match at Thrum Hall, there has been quite an improvement in the play of our team. A great fight was put up at Wigan, where the issue was in doubt until near the end, while Hull were defeated at Fartown last Monday evening.

LONGROYD BRIDGE — HUDDERSFIELD

We are, of course, hoping for still better things as our players settle down to the job in hand.

Young Fairbank came through his initial first team test very well, and it is satisfactory to know that the "A" team is proving a useful nursery for several budding youngsters.

Fartown R.L. Year Book

Copies of this book, which has been published by the Supporters' Club, are on sale on the ground today. Containing photographs of the players, records and other interesting Fartown matter, we think you will find this a good shillingsworth. Make sure you get your copy. They can be obtained (1/3 post free) from Mr. W. Stoker, 20, Holly Road, Thornton Lodge, Huddersfield.

Police Notice

Car parking in the streets is now

prohibited. When the Cricket ground Car Park is full, cars will be directed to the new Car Park in Bradford Road (near Blackhouse Road).

Russell Pepperell

On Thursday evening Russell Pepperell was appointed player-coach at Fartown. Russell's future has always been to the forefront in the minds of the Football Committee and we have had no desire to stand in his way to a better position. He had shown interest in this kind of work and it was unanimously decided to make him the offer, which he has accepted. Mr. Bill Smith will now take the position of trainer and we wish them both the best of good fortune.

Play-the-ball

Few things have caused more discussion in Rugby League circles during recent years than the alteration to the play-the-ball. Here, for the benefit of our readers, are the laws of the game relating to the playing of the ball after a tackle:—

After a tackle has been made the ball shall be brought into play in the following manner:—

(a) The players opposing the side of the tackled player shall relinquish their hold on him and refrain from touching him until the ball is in play.

(b) The tackled player shall regain his feet immediately at the point where he was tackled and face his opponents' goal-line. He shall retain possession of the ball whilst rising and lift it from the ground. Having regained his feet he shall, without delay, drop the ball to the ground directly in front of him after which it can be played with the foot in any direction by any player. Neither the tackled player nor the player marking him shall raise his foot from the ground before the ball is dropped.

(c) If a player accidentally loses possession of the ball after he has been tackled, a scrum shall be formed at that spot. If he deliberately loses possession of the ball

after being tackled a penalty shall be awarded against him.

(d) Any player who is not nearer to his own goal-line than the tackled player shall be off-side and shall be penalised if he gains or attempts to gain an unfair advantage provided that such a penalty is not to the disadvantage of the non-offending side.
