CHAIRMAN'S COMMENTS

I would like to congratulate our Alliance team on another good win, beating Featherstone 12-6 at Belle Vue.

G. LILES
Chairman

Unfortunately last week the 1st Team couldn't overcome the handicap of having several players out of action due to a bug which seems to be going round the club.

Our thanks go today to John and Stewart from Huddersfield for sponsoring today's Man of the Match. We wish them an enjoyable day and thank them once again for their kind support.

I would like to welcome our neighbours from Fartown who have been playing attractive rugby this season, and hope we can avenge our defeat of 14-10 in September.

G. LILES
Chairman

THE HISTORY OF HUNSLET RLFC

1969 – 70

The Lazenby Cup was the usual opener for the season with Leeds retaining the trophy 39-9. Phil Sanderson, a young loose forward made his debut in the second row in this game, on August 1st, the season starting earlier in these times. The following week the County Cup started before any league fixtures were played, a bad idea which was later abandoned. We travelled to the Minster City but were despatched by York to the tune of 20 points to 7.

We only won two of our first eight league games, both at home, but in the ninth game we got our first away victory at Barrow by 12-10. We suffered some good and bad results throughout the season, the good points being wins versus Wakefield, Hull, Swinton and Halifax with narrow defeats at Bradford, Halifax, Castleford by 5 points (they were 2nd in the table) and two good performances against top club Leeds. We also did the double over Dewsbury and took 3 points from York.

Offset against these however were a big defeat at Doncaster, a defeat at bottom club, Blackpool, at Keighley 8-26 and at Wakefield 3-59 while Barrow beat us at home 10-13 in the last match of the season.

On November 9th the first ever 1st team match at Parkside on a Sunday was played (the 'A' team had experimented with a couple of Sunday games). The opponents for this fixture were Keighley and the team was: — Marshall; B. Lee, Clark, Chamberlain, Thompson; Morgan, Hunt, Larkin, Maskill, Crewdson, Hepples, Payne (Baldwinson), Sanderson. We won 15-8 with 3 goals by Marshall and tries by Clark 2 and Lee.

New players this season besides Sanderson were Geoff Crewdson, Eric Payne and Dave Tucker, all forwards from Keighley, York and Castleford respectively, while juniors who made debuts were Pete Rycroft, Robert Buglass, Peter Cain, Dave Barrass, Lewis Cardiss, Geoff Nicholls, Steve Blake from the York area and Alan Griffiths a loose forward from the Castleford area, most of them gave good service. Pete Dunn was transferred to Leeds, Brian Hunt to York and Steve Lee to Dewsbury, while Phil Morgan retired at the end of the season. Brian Gaines was also injured and forced to retire. Alan Preece only made 3 appearances being second team player coach.

Top scorers were Marshall 78 goals and 4 tries followed by B. Lee 10 tries, Dunn 2 goals 7 tries, Thompson 8 tries, Hudson 7 tries, Clark and Crewdson 6 tries each. Tommy Thompson played in all 37 games with Crewdson in 35 games.

Thompson also made a much overdue appearance for Yorkshire v Cumberland and scored a try, while Morgan played 4 times for Wales scoring 1 try and Williams was his partner in one of these games.

The 'A' team were the surprise packets of the club despite great adversity. At Christmas the directors decided to disband the 'A' team for financial reasons but Eddie Bennett (the football committee man) and Harry Jepson (the secretary) told the players the decision and told them they didn't want to disband the side as they were a good team. The players, led by Alan Preece the coach, all said they would play for nothing for the rest of the season. Despite this they reached the final of the League and Yorkshire Senior Competition Cup, and the League match v Leeds attracted an attendance of 853. We beat Wakefield in the semi final of the league play offs and York and Featherstone to reach the final of the cup. The first final was at Castleford for the Championship which we won 12-8 with 3 goals by Nicholls and tries by Evans and Barron. The team was: — Nicholls; Barron, P. Evans, Simpson, J. Richardson; Blake, Barrass; Mason, Cardiss, Jarvis, J.N. Richardson, S. Evans, Preece and subs Rycroft and Maskill.

The second final was at Parkside for the Y.S. Cup but Castleford turned the tables before an amazing crowd of 2,480. The score was 15-23 with Nicholls scoring 3 goals and a try and Barron and Jack Richardson tries. The only change was Freddie Cliff coming in for Phil Evans, injured in the first game.

ANDY MACKINTOSH Signed from Featherstone, one of the most creative players at the Club whose promising earlier career with Leeds was ruined by serious injury.

ANTHONY POWER Newly signed as a professional from local amateur club Underbank. A brave straight runner. Has settled into the first team very well.

John Willie Higson (above, far right, middle row, below second from left back row) was a member of both squads and holds the unique record of collecting 8 medals in two seasons.

PLAYERS OF THE PAST

CES THOMPSON

Nottingham City's football Director Ces Thompson will be remembered by any old "Parksiders" for Thompson began his footballing career with Hunslet back in 1948. Born in County Durham in 1927 Thompson came to Leeds in 1938 where he attended Blenheim School. Thompson played only a handful of Rugby League games at school and his rugby involvement was more from the terraces, supporting Leeds.

In 1947 on return from service in the Royal Navy, Thompson got a job at the Yorkshire Copper Works in Stourton where he was surrounded by Hunslet supporters who provided him with much good natured argument. As a joke one of his workmates entered his name for the Copperworks Rugby League Team entered for the Parkside Workshops Competition.

Thompson decided to "have a go" and played at Parkside scoring a try in his first match for the Copperworks. With typical humour he remembers that his first score was gained "either by tripping over my opponents foot or my colleagues pushing me over". Nevertheless Thompson was a natural and Dewsbury, Bramley and Hunslet clamoured to sign him. He still thought it all a big joke until Hunslet put a written contract before him and Thompson became a professional Rugby League Player.

Jack Walkington was the man responsible for teaching the game to Ces Thompson and within three years Thompson was pulling on a Great Britain jersey for the 1951 test against New Zealand.

Thompsons debut for the Parksiders was against Hull KR in November 1948, but he had to wait until 1951 for his debut try against Castleford. He missed a number of games with a serious injury that almost brought retirement, but bounced back to complete 90 games and 9 tries for Hunslet before the powerful Workington side moved in for him in 1953.

Photograph shows Hunslet in 1950's.
